Our property observatory data show the changes in the number of internaut searches to all destinations available on our www.green-acres.com sites. With more than 12 million page views per month, Green-Acres is the leader for second home for sale adverts in Europe.

Green-Acres : This is the story of a small independent French site that decided to translate its 150 000 house for sale listings into 19 languages and 12 countries so that everyone could find the house of their dreams... and live there happily ever after.
