Our property observatory data show the changes in the number of internaut searches to all destinations available on our www.green-acres.com sites. With more than 12 million page views per month, Green-Acres is the leader for second home for sale adverts in Europe.

Green-Acres : This is the story of the French independent website that decided to translate their 288 000 listings of homes for sale into 20 languages and 56 countries, so that everyone could find the house of their dreams. And live there happily ever after.
